

Green Business Certification Inc.™

PEER PARTICIPATION AGREEMENT

BY ACCEPTING THIS PEER PARTICIPATION AGREEMENT (“AGREEMENT”) YOU ACKNOWLEDGE THAT YOU ARE FULLY AWARE OF AND AGREE TO ALL OF THE FOLLOWING TERMS, CONDITIONS, AND PROVISIONS, YOU REPRESENT THAT YOU HAVE CONSULTED WITH AN ATTORNEY ABOUT YOUR RIGHTS AND OBLIGATIONS HEREUNDER, AND YOU ARE HEREBY ENTERING INTO A LEGALLY BINDING AGREEMENT.

This PEER Participation Agreement (this “Agreement”) is entered into by You (as defined below) and the Green Business Certification Inc. (“GBCI”), a non-profit corporation of the District of Columbia located at 2101 L Street, NW, Suite 500, Washington, DC 20037, and constitutes a binding agreement between You, on the one hand, and GBCI, on the other hand. As used herein, the terms “You,” “Your,” “Yourself,” and “Owner” refer to the individual(s) or entity(ies) that holds all legal right to possess and control the real and personal property associated with the Project (defined below) and that is executing this Agreement, as may be implemented by a third party such as an engineer, operator or consultant who has been granted authority to act on Your behalf (Your “Agent”).

If Your Agent is entering into this Agreement on Your behalf, You represent and warrant that You have completed a “Confirmation of Agent’s Authority” upon execution of this Agreement. The form is available to You at <http://peer.gbci.org/legal>.

In such instance, GBCI shall have no obligation to render any decision or provide any other information with respect to the PEER™ Certification of the Project registered under this Agreement until You have provided this form to GBCI. GBCI agrees that Your Agent has no responsibility for the breach of any contractual obligations arising from the Agent’s authorized conduct on Your behalf. Any attempt to modify the terms of the Confirmation of Agent’s Authority may render the form invalid as to be determined by GBCI in GBCI’s sole discretion.

If more than one person or entity constitutes an Owner as defined herein, such parties must irrevocably designate You as the sole Owner with the authority to accept this Agreement and work directly with GBCI for the purpose of administering the PEER Program (the “Primary Owner”). GBCI will only communicate with and take direction from You as the Primary Owner with regard to the performance of GBCI’s obligations under this Agreement.

1. PURPOSE. The purpose of this Agreement is to establish the terms and conditions of the PEER Program (the “Program,”) to which You (and Your Agent, if any) are bound.

2. THE PROGRAM. Performance Excellence in Electricity Renewal (PEER) PEER is a dynamic, adaptive rating process designed to measure and improve sustainable power system performance. The Program consists of the process whereby owners of bounded electrical systems, may apply to GBCI for PEER certification. PEER certification refers to GBCI’s determination that the project has satisfied the requirements of the PEER Rating System, and has accumulated the minimum number of points necessary to achieve PEER Certification.

3. THE PROJECT. As used herein, the term “Project” refers to the bounded electrical system that You register under this Agreement for the purpose of pursuing the Program and applying for PEER Certification. A project is either externally bounded by its interconnection with the bulk electric grid or point of connection to a utility’s distribution system, or, alternatively, a project consists of a virtual aggregation of customers that are individually bounded by interconnection with the bulk electric grid or point of connection to a utility’s distribution system. Additionally, a project is internally bounded at the meter connection with customers and buildings, though separately metered generation supplying the project buildings may also be considered within the project’s scope. The format of Your Project and the number of electrical system components which may encompass Your Project, and to which this Agreement will apply, may vary depending on the manner in which you pursue PEER Certification.

4. APPLICATION AND RATING SYSTEM.

4.1 Upon registering Your Project, You will be given an application (the “Application”) to be used for the sole purpose of applying for PEER Certification from GBCI. The Application consists of a collection of the current version of workbooks which are specific to the Rating System (defined below) and the particular format of each Project. You are not required to submit an Application, and may end Your Project’s participation in the Program at any time. The workbooks contain extensive guidance related to the Program including documentation requirements, definitions, calculations, and reference data sets. The workbooks will be provided to you. You hereby represent and warrant that You have fully reviewed and understand the workbooks.

4.2 Each Application is designed to elicit information necessary to determine if a Project complies with the requirements of the PEER Rating System. While GBCI will continue to revise the Rating System, Your Project will be held to the Rating System and workbook requirements that exist at the time Your Project is registered, subject to section 4.3 below. Projects may utilize a more current version of the workbooks at their discretion.

4.3 The PEER rating system includes comparison to industry benchmarks for reliability and environmental performance that are imbedded in the application workbooks. You must submit an application workbook that is published within three years of the date of Your Project’s registration. In order to secure an updated application workbook, You must contact GBCI and request updated reference data sets; this will ensure that appropriate reliability and environmental benchmark data is used to calculate the PEER rating.

4.4 The PEER Rating System (“Rating System”) is defined as that set of criteria that is published and available for review on the following webpage: www.peer.gbci.org/credits and which is incorporated by reference into this Agreement. You hereby represent and warrant that You have fully reviewed and understand the Rating System.

5. GUIDE TO PEER PARTICIPATION

As used herein, the term “Guide” refers to “The Guide to PEER Participation” published by GBCI. The Guide contains extensive information and instructions related to the Program including associated services, policies, processes and guidelines. You agree to comply at all times with the Guide, including all updates and changes provided in effect at the time Your Project is registered; You will have the option to comply with all updates and changes provided to You or made available by GBCI from time to time. The Guide will be provided to you is available for review online at the following webpage: <http://peer.gbci.org/certification>. You hereby represent and warrant that You have fully reviewed and understand the Guide, and You agree to check for updates often.

6. CERTIFICATION REVIEW.

6.1 Upon receipt of Your Application, GBCI will initiate its review to determine if Your Project is eligible for PEER Certification. During a review, GBCI may request additional documentation, resubmission of calculations and any other information GBCI deems relevant. GBCI will strive to meet the review timelines (“Review Timelines”) set forth in the Guide, however, the Review Timelines are estimates only. GBCI’s failure to meet any Review Timeline will not be considered a breach of this Agreement and You will not be entitled to any remedy, including a refund of any portion of any Fees paid by You under this Agreement. PEER certification is valid for three years. The recertification period begins immediately after certification. In order to maintain certification, Your Project must submit a recertification application no later than the third anniversary of the date of the Award Letter granting initial certification. Opting into a recertification application extends the validity of the project’s original certification period for an additional six months upon filing, during which time the project must satisfactorily submit the a recertification application to determine that the project continues to perform to the PEER standard. Failure to achieve recertification within the required timeframe will cause the certification status to expire and the project will be listed as such within the PEER project directory. A recertification application must include updated PEER workbooks that are no older than three years at the time of submission. The most current version of the workbooks will be provided in PEER Online. Recertification includes a review of the application by a GBCI PEER reviewer. For the project’s first recertification cycle, You may elect to have Your Project reviewed under either the version of PEER for which it achieved initial certification or any subsequently released version. For all subsequent recertification cycles, a project will be reviewed under the version of PEER that is in place 12 months prior to the expiration of its then-current certification. If You so choose, You may elect review of Your Project under a more recent version of the rating system. Failure to successfully recertify will cause Your Project’s certification to expire and the Your Project will be either be listed as having expired certification within the PEER project directory or be removed from the PEER project directory at the discretion of GBCI. Should Your Project’s certification expire, You must reregister the Project and submit an initial application under the most recent version of the rating system as described in section 4 above.

6.2 Annual Data Reporting Project teams are required to report PEER key metric data to GBCI annually on the anniversary date of the Award Letter granting certification via the approved template. GBCI will provide the template in its online platform. Upon reporting the key metric data, the project certification will be listed within the PEER project directory as current. Failure to report the key metric data will cause its certification to lapse and the Your Project will be either be listed as having lapsed certification within the PEER project directory or be removed from the PEER project directory at the discretion of GBCI.

6.3 You recognize and acknowledge that GBCI is a nonprofit organization engaged in the effort to improve the sustainability and lessen the environmental impacts of energy delivery systems, and that the Program, while regulated by specific policies and standards developed by GBCI and USGBC, also requires discretion and judgment. The decision whether to grant or deny PEER certification to a Project will be made in the sole discretion of GBCI based on GBCI’s interpretation of the Rating System, the sufficiency of the submitted Project Information (defined below), and any other information or factors that GBCI deems relevant.

7. OPTIONAL SERVICES. GBCI and/or USGBC may make available certain optional services to assist You to complete the Application, apply the Rating System requirements to Your Project, confirm Your status as a participant in the Program, and/or confirm the status or progress of Your Project, including without limitation, the undertaking of and other services related to the Program (collectively, “Optional Services”). You acknowledge and agree that the performance of all Optional Services by GBCI, GBCI’s subcontractors and/or USGBC shall be governed by the terms of this Agreement, including without limitation, all provisions herein related to indemnification and limitations of liability.

8. FEES.

8.1 In consideration for GBCI’s review of Your Project Information (defined below), You agree to pay GBCI a PEER Participation fee in accordance with the PEER Participation Fee Schedule (the “Fee Schedule”), (collectively, the “Fees”) in order to receive all GBCI participation services. The Fee Schedule is available for review online at the following <http://peer.gbci.org/certification#fees>. You must pay the applicable fees and maintain an active PEER Participation term for access to the PEER workbooks, reference data sets, guides, tools, PEER Coach, and to submit an Application for pre-review, certification, recertification and supplemental review. You must pay and maintain an active PEER Participation term during the period in which You submit both certification and recertification review. GBCI will invoice You for all applicable Fees as they are incurred. All Fees must be paid within thirty (30) calendar days of the date of GBCI’s invoice. You hereby represent and warrant that You have fully reviewed and understand the Fee Schedule, and You agree to check for updates often.

8.2 You must pay and maintain an active PEER Participation term during the period in which You submit both certification and recertification review. You agree to pay the then-current fees as they are incurred. GBCI will provide You with no less than ninety (90) days prior written notice of any Fee increases. You may elect to pay any Fees in advance. If You pay any Fees in advance, You will not be charged for the difference should a subsequent increase occur. If You do not agree to any of GBCI's Fee increases, Your sole remedy is to terminate this Agreement pursuant to Section 12.1(a). In the event You elect to terminate this Agreement, You will forego any benefit for which You have paid in advance, and GBCI will not be required to provide You with any refund. You may add additional terms of PEER Participation by requesting to amend this Agreement and extend the term via the PEER Platform.

9. PROJECT INFORMATION. In order to complete the PEER Certification application process, You must submit extensive information to GBCI related to the Project, including without limitation, any information related to You or Your Project provided prior to executing this Agreement, information contained within the Application(s), the registration details for Your Project as specified by the Guide and any additional information or data provided to GBCI in connection with the Project (collectively, "Project Information"). You hereby grant GBCI, GBCI's subcontractors and USGBC a perpetual, non-exclusive, royalty-free, fully paid-up and irrevocable license to access, view, reproduce and otherwise use all Project Information submitted to GBCI, including all copyrighted materials, trademarks and other proprietary information, for the purposes of assessing the Project. This license also grants GBCI and its affiliated nonprofit organization, the U.S. Green Building Council, Inc. ("USGBC"), the right to use, reproduce, publish, create derivative works from, perform and display such Project Information as described in the Guide. GBCI and USGBC reserve the right to change the ways they use and disclose Project Information regarding Your Project; provided however, GBCI will provide You with no less than ninety (90) days prior written notice of any changes.

Nothing in this Agreement shall prevent USGBC or GBCI from disclosing information, including where legally compelled to do so by duty, order or command under color of law. Unless prohibited by law, prompt notice of any compelled disclosure will be provided to You to facilitate an opportunity to limit or prevent such disclosure at Your sole expense. Without limitation, GBCI and/or USGBC may disclose Project Information if such disclosure, in GBCI's or USGBC's sole discretion, is deemed to be in the interest of public safety.

GBCI does not wish to receive classified information. Any information or material submitted to GBCI will be deemed not to be classified. By submitting information to GBCI, You represent that such information, be it submitted in connection with an Application for PEER certification or otherwise, is not controlled for export under the International Traffic in Arms Regulations, 22 C.F.R. Part 120 et seq., or the Export Administration Regulations, 15 C.F.R. Part 730 et seq.

10. TRADEMARKS.

10.1 GBCI owns all rights to several proprietary trademarks, service marks, certification marks, logos and other graphic images, including, but not limited to, the "PEER" trademark and the PEER Certification trademarks (collectively, the "Marks"). In the event Your Project is recognized as having achieved PEER Certification, GBCI has the right to grant You the limited right to use the Marks as set forth herein. The Marks constitute valuable intellectual property held by USGBC and GBCI and their licensors and are protected by law. You acknowledge and agree that any unauthorized use of these Marks constitutes both intellectual property infringement and a breach of this Agreement.

10.2 While Your Project is under review, GBCI grants You the limited right to indicate that You are applying for PEER Certification under the Program; provided however, that You are prohibited from using the Marks in any manner that indicates or implies (as determined by GBCI in its sole and absolute discretion) that the Project has achieved, or will achieve, PEER Certification at any level. In the event that Your Project, or any portion thereof, is awarded PEER Certification by GBCI, then, subject to the terms and conditions of this Agreement, GBCI grants You a non-exclusive, non-sublicensable, non-transferable, revocable (in the sole discretion of GBCI), royalty-free, limited license to use the applicable Marks, depending on the Program in which You choose to participate and the level of PEER Certification achieved, for the purposes of indicating the level of PEER Certification granted in relation to the Project..

10.3 In connection with all use of the Marks as set forth herein, You agree to use the Marks in accordance with all applicable laws, rules and regulations, and You will comply at all times with the relevant Trademark Policy and Branding Guidelines as published and as may be updated from time to time (the "Trademark Usage Policy"), and any other reasonable related standards associated with the use of the Marks as provided by GBCI in writing to You. The Trademark Usage Policy is available at <http://peer.gbci.org/legal>. You hereby represent and warrant that You have fully reviewed the Trademark Usage Policy, and You agree to check for updates often.

All use of the Marks and the goodwill associated therewith shall inure to the sole benefit of GBCI.

10.5 You acknowledge that the Marks and the goodwill associated therewith possess special, unique, and extraordinary characteristics, which make difficult the assessment of monetary damages that GBCI would sustain as a result of Your unauthorized use of the Marks. You recognize that GBCI would suffer irreparable injury by such unauthorized use and agree that injunctive and other equitable relief is appropriate in the event of a breach by You of any of the terms of this Section 11. Such remedy shall not be exclusive of any other remedies available to GBCI, nor shall it be deemed an election of remedies by GBCI.

19. NOTICE OF CLAIM; MEDIATION; ARBITRATION.

19.1 If You believe that You have been damaged by any act or omission by GBCI, GBCI's subcontractors and/or USGBC, then You must provide GBCI with written notice in accordance with Section 19 within one hundred eighty (180) calendar days after the occurrence of each such act or omission, describing with reasonable detail (i) the act and/or omission, (ii) how You were damaged by it and (iii) a reasonable estimate of the amount of monetary damages You claim to have suffered (each, a "Notice of Claim").

19.2 In the event of any controversy, claim or dispute arising out of or relating to this Agreement, or a breach thereof, (each such event, a "Dispute") the parties hereto agree to seek to resolve the dispute through open and good faith discussions in the first instance. If the Dispute cannot be resolved through these discussions, the parties agree second to try and settle the dispute by mediation, administered by the American Arbitration Association ("AAA") under its Mediation Rules.

19.3 If settlement is not reached within sixty (60) calendar days after service of a written demand for mediation, such Dispute shall be finally resolved under the Rules of Arbitration of the American Arbitration Association (the "Rules") by three (3) arbitrators appointed in accordance with the Rules (each such arbitration, an "Arbitration"). Each Arbitration will be conducted in English and all foreign language documents shall be submitted in the original language and, if so requested by any arbitrator or party, shall also be accompanied by a translation into English. The place of arbitration, and the location for all hearings and meetings in an Arbitration, shall be the District of Columbia, United States of America, which location cannot be changed, and any Arbitration may be initiated by either party in accordance with the Rules. For each Arbitration, the governing law set forth in Section 21 shall be applied to the merits of the Dispute. Each party shall present its case in a pre-hearing memorial accompanied by all of its evidence in support of its position. The arbitrators in any Arbitration shall enforce, and not modify, the terms of this Agreement. The award or decision of the arbitrators shall be final and binding on each party and its respective successors and assigns, and judgment may be entered thereupon and enforced in any court of competent jurisdiction. All costs and expenses of any Arbitration, including reasonable attorneys' fees and expenses and the administrative and arbitrator fees and expenses, shall be borne by the parties as determined by the arbitrators. Nothing in this Section 20 shall be construed as limiting the right of a party to seek, in a court of competent jurisdiction, an injunction or other equitable relief in aid of arbitration (including to maintain the status quo or preserve the subject matter of the arbitration) with respect to any actual or threatened breach of this Agreement or otherwise, to prevent or avoid irreparable harm. Nothing herein shall permit the arbitrators to award any damages which are disclaimed in this Agreement, including those in Section 15.

19.4 It is understood and acknowledged that during the pendency of a Dispute, all of the terms and conditions of this Agreement shall remain in effect and the parties shall continue to perform all of their respective obligations hereunder.

19.5 Except to the limited extent necessary to comply with any applicable law, legal process, or a court order or to enforce a final settlement agreement or secure enforcement of the arbitrators' award, the parties agree that the existence, terms and content of any Arbitration, all information and documents disclosed in any Arbitration or evidencing any arbitration results, award, judgment or settlement, or the performance thereof, and any allegations, statements and admissions made or positions taken by either party in any Arbitration shall be treated and maintained in confidence and are not intended to be used or disclosed for any other purpose or in any other forum.

19.6 Without limiting the confidentiality requirements of Section 19.5 above, You agree that during the pendency of a Dispute You will not publicly or privately disparage any of the GBCI Indemnitees in any way, make or give any comments, statements, or opinions which may be harmful to the goodwill and reputation of the GBCI Indemnitees, or directly or indirectly cause or encourage the making of such comments, statements, or opinions, or the taking of such actions, by anyone else. For the purposes of this Agreement, the term "disparage" includes, without limitation, comments or statements to the press and/or media, or to any individual or entity with whom the GBCI Indemnitees have a business or personal relationship which would adversely affect in any manner (i) the conduct of the business of the GBCI Indemnitees; (ii) the business reputation of the GBCI Indemnitees; or (iii) the personal reputation of the GBCI Indemnitees.
